

# TITAN

Apparecchio orientabile per esterni dal tipico design lineare e funzionale, interamente in acciaio inox. Il riflettore speculare sfaccettato per diversi fasci luminosi, ne permette la versatilità di utilizzo, sia per illuminazioni puntuali di monumenti e facciate, sia per giardini e architetture esterne.

Adjustable outdoor lighting fitting with a typical linear and functional design, entirely made of stainless steel. The faceted specular reflector for different light beams makes it versatile to use, both for spot lighting of monuments and facades and for gardens and outdoor architecture.

## TITAN

Proiettore orientabile per esterni. Corpo e anello in acciaio inox AISI 304L. Vetro trasparente. Driver incluso.

Adjustable projector for outdoor. Body and ring in stainless steel AISI 304L. Transparent glass. Driver included.
